With questions or for more information

Speeches need to be at least 90 seconds, no longer than 120 seconds for Queen and Princess categories. Speeches need to be at least 45 seconds, no longer than 60 seconds for Little Buckaroo categories. Speeches can be about yourself and the western way of life, about you and personal rodeo experience or about Curry County. We are looking to be informed and/or entertained during your time to shine, these are only ideas. After speeches, each girl will get a 5 to 10 minute personal interview with the judges in order for the judges to get to know you better. We would prefer you to wear something that is considered “western elegance”, it doesn’t have to be a leather dress by any means, but a dress, skirt, blouse, vest/jacket combo would make a nice outfit with your hat, belt and boots.

Horsemanship will include mounting and dismounting your horse. You will be asked to ride a set pattern of which we will provide, rail work, carry a flag (Little Buckaroo categories will NOT be asked to carry a flag) and a Hot Lap. At the end of horsemanship, there will be a short horsemanship interview about horse and/or rodeo knowledge. We would prefer you to wear blue or black jeans, a white button up shirt, black or white hat, belt and boots.
